

Amendments to the Drawings:

Please delete sheet "14/15" and sheet "15/15" of the drawings, since these drawing sheets show only a list of "Reference numerals in the drawings." Copies of these sheets, marked "Cancelled," are enclosed.

REMARKS

This Preliminary Amendment is presented in order to: (1) add a reference to the international application to the top of page 1 of the specification; and (2) delete sheets 14 and 15 of the drawings since these sheets include only a list of "Reference numerals in the drawings."

Respectfully submitted,

Takeshi HAYAKAWA
